Acronis Protects all Your Data – On-Premises, Remote, Private Cloud, Public Cloud, Mobile

Acronis Backup 12 protects all your data. Using its unified web console, you get easiest and fastest backup of

- Physical Microsoft Windows and Linux servers
- virtual VMware and Microsoft Hyper-V
- cloud Microsoft Azure VMs and Amazon EC2 instances;
- Microsoft Exchange SQL Server
- SharePoint® and Active Directory applications
- Local and remote Microsoft Windows and Mac workstations and laptops
- iPhone iPad and Android devices

Acronis True Image protect everything with full image backup on Windows and Mac: the operating system, programs, settings, files, and boot information. Back up to external drives, NAS devices, network shares, and cloud with just two clicks. Back up phones and tablets: iPhone, iPad and Android devices. Back up Facebook. Remotely back up for others anywhere in the world. Manage from a touch-friendly online dashboard. And much more!
